

First People Recruitment Solutions is a 100% Indigenous owned business with Supply Nation certification providing professional recruitment solutions to Local, State and Federal Government and the Australian commercial sector.

Our Head Office is based in Canberra with national coverage into all states and territories and also working in the remote areas of Australia.

First People Recruitment Solutions provides employment opportunities for Indigenous and non-Indigenous Australians through temporary assignments, contract, non-ongoing contracts and permanent placement recruitment campaigns.

We work with our clients to source qualified and experienced candidates, specialising in all sectors of the Australian Public Service (APS Levels 1-6), EL and SES.

- Executive Assistants, Office Administration and Support Officers
- Information Technology
- Project Management and Project Coordination Staff
- Records Management and Library Staff
- Finance and Payroll
- Governance, Human Resources and Industrial Relations
- Policy and Procurement
- Logistics and Operational Staff

First People Recruitment Solutions work collaboratively, intuitively and intelligently with you to effect professional placements in a timely and cost effective manner.

Please contact our **Business Recruitment Manager - Melita Justic** on 0434 983 713 to discuss your recruitment requirements to ensure your recruitment actions are met by a service provider with proven capability and experience.
